MUDA 50:50 site allotment scam

Blitzkrieg by ED

Fresh raids at nine places

Mysuru, Oct. 28 (RK&BCT)- The **Enforcement Directorate (ED)** conducted simultaneous raids early this morning in Mysuru, Mandya and Bengaluru as part of the ongoing investigation into a money laundering case linked to the Mysuru Urban Development Authority (MUDA). The case involves Chief Minister Siddaramaiah and others.

The ED also targeted the office of a builder associated with the MUDA case. Builder Manjunath's house and office were searched by ED officials. Additional raids are underway in Bengaluru, Mysuru and Mandya, covering approximately seven to nine locations, according to official sources.

Sources indicate that the ED sleuths raided the builder's farmhouse on Bannur Road, his office in Rajarajeshwarinagar and his residences in Dollars Colony in Bengaluru and Dattagalli in Mysuru. Sources said that a house in J.P. Nagar, owned by the realtor, was allegedly used by a MUDA Commissioner for illegal transactions.

In Mysuru, four locations were raided, while one location was searched in Bengaluru. Reports from news agencies indicate that a total of nine places were targeted across Mandya, Mysuru and Bengaluru.

Notably, the ED conducted these searches independently, without involving the local Police in all three districts.

Eminent engineers felicitated

Mysuru, Oct. 28 (KS) - The Association of Consulting Civil Engineers (India), Mysore Centre, in association with Ramco Cements Ltd., had organised Engineers' Day celebration at Sri Kanteerava Narasimharaja Sports Club in city recently during which rich tributes were paid to renowned engineer and statesman Sir M. Visvesvaraya and renowned philosopher, scholar and teacher Dr. S. Radhakrishnan, besides felicitating eminent engineers.

Er. T. Jaydevappa, Chief Engineer - PRED (Retd.), Mysuru, was honoured with 'Civil Engineer Extraordinaire' award and Prof. S.V. Nagaraj, former Professor and Head, Department of Civil Engineering at SJCE, was conferred with 'Teacher par Excellence' award. The two awardees shared their rich experiences and reminded the responsibilities and challenges for the future civil engineers.

The programme was inaugurated by chief guest Dr. B. Sadashivegowda, Principal of Vidyavardhaka College of Engineering (VVCE), Mysuru and Dean Academics, Visvesvaraya Technological University (VTU), Belagavi. Dr. S. Raviraj, Chairman of ACCE (I), Mysore Centre presided. Anilkumar Pillai, Senior General Manager and Technical Head of Ramco Cements, gave a presentation on the innovative products of the company.

Dr. Sadashivegowda recollected the remarkable contributions of Sir MV towards nation-building and the ideals of Dr. Radhakrishnan.

Three prestigious national awards, instituted by ACCE (I) for 2023-24, namely Most Active Centre, Best Centre in Industry-Institute Relationship and Second-Best Centre, were presented to the office-bearers of ACCE (I) Mysore Centre.

Dr. G.P. Chandradhara, Hon. Secretary and Dr. B.S. Keerthi Gowda, Hon. Treasurer, were present on the occasion. Participants at the event included ACCE (I) members, consultants, office-bearers of BAI and representatives from Ramco Cements.

EDITOR'S BOTTOMLINE

VIBHISHANA AND DHARMA: ***Valmiki's Ramayana has been the subject of many debates. Are those who are portrayed as good persons, really so, is one of the questions asked. Vibhishana is criticised for turning against his brother Ravana. But we cannot cherry pick what we want to believe in Valmiki's work and what we don't want to believe, said V.S. Karunakaracharia in a discourse.***

Suppose a man owns a hen, whose eggs fetch him a good income. He cuts off one half of the hen for meat. And then he says, "I have used one half of the hen. But the other half can still lay eggs." Would we accept this explanation? To choose some characterisations in the Ramayana and say we believe them to be true, but we disbelieve the rest, is similar to cutting up a hen and claiming that one half of it will still lay eggs.

The traits of the three asura brothers — Ravana, Kumbhakarna and Vibhishana — are evident from the very boons they sought. Ravana wanted immortality. When Brahma said that could not be granted, he asked that he should not be killed by devas or animals. But he forgot to include humans in the list, and so Rama came in human form and killed him.

Kumbhakarna wanted to ask for a world without devas. But Saraswathi made him ask for never ending sleep. Vibhishana prayed that no matter what happened, he should never move away from dharma. So, he advised Ravana to return Sita to Rama. When Ravana refused, Vibhishana could no longer stay in Lanka. — *In The Hindu*

Man eats instant noodles for over 30 years daily!

Tokyo: Sokusekisai Oyama, aka Japan's Instant Ramen King, has made a lucrative career out of eating instant noodles at least once a day for over three decades.

Sokusekisai Oyama, the man known as the 'Instant Ramen King' is a former illustrator with a degree in engineering. He gave up his career to dedicate himself to what he loved most – eating noodles and becoming a professional cup noodle critic. The 65-year-old man claims he has eaten at least one serving of instant noodles and a total of over 10,000 cups of noodles over the last 30 years.

With hundreds of new instant noodle offerings launched every year in Japan, Sokusekisai Oyama has his hands full working as a professional cup noodle critic. He regularly makes appearances on TV, and is very active on social media, answering people's noodle-related questions, posting reviews and ranking the most popular types of instant noodles.

The cracked glass portraits of Niall Shukla

London: Niall Shukla is a talented self-taught artist who specialises in cracking detailed portraits into laminated glass canvases by meticulously striking them with a hammer.

Using a variety of hammers and chisels, Shukla chips laminated glass panes, creating cracks that ultimately form clear and detailed pictures. It's an art form that requires patience and nerves of steel, as one powerful strike can result in massive cracks that may ruin the artwork, forcing the artist to start from scratch. Although cracked glass art is random by definition, as one can't completely control the way cracks form, Shukla claims that he spends a lot of time planning and figuring out how he will go about creating certain artworks.

Parthenium growth in Bogadi 2nd Stage is a health risk

Sir,

Parthenium growth has overtaken nearly all vacant areas and roadside stretches in Treasury Layout, Bogadi 2nd Stage, and nearby areas, posing serious health risks.

This invasive weed triggers skin issues, allergic rhinitis, cough and cold, particularly affecting children and seniors.

Vacant plots now resemble parthenium gardens, with the Mysuru City Corporation (MCC) showing prolonged neglect toward this issue.

I urge the authorities to promptly address this hazard and initiate parthenium eradication efforts before it spreads further, worsening public health concerns.

92nd Indian Air Force Day celebrated at Belawadi

Agniveers and newly recruited Karnataka Police Constables felicitated

Mysuru, Oct. 28 (BCT) Soldier Academy, Mysuru, at Belawadi, hosted an event to celebrate the 92nd Indian Air Force Day. The event honoured retired Air Force veteran Ramnarayan and featured a blood donation camp in collaboration with Lions Club of Mysore Srigandha.

Special recognition was given to 56 Agniveers trained at the Academy, selected for the Indian Army for the third time, and 31 newly recruited Karnataka Police Constables. Lions Club Governor Krishne Gowda, farmer leader Bharat Kumar and Bannimantap Panchayat member Ningegowda were also honoured.

Contributors to the event included Lions Club of Mysore Srigandha, Nashak Ninth Ex-Servicemen Welfare Association, Silicon Valley Layout Welfare Association and Hootagalli KHB Merchants Welfare Association.

Soldier Academy Founder C.M. Sridhar highlighted the Air Force's crucial role in national security since its formation in 1932 under British rule. He recalled the Air Force's historic airstrike on Pakistan-occupied Kashmir and its vital contributions during the Kargil War, providing air support to the Indian Army.

He noted the growing public awareness of Air Force Day, which was once primarily celebrated within Air Force stations.

Academy co-founder Anitha Sridhar, Bajrangi Nandeesh, Lions Club President Jyothi and faculty members Vijay Kumar, Raghu, Swamy, Lakmivenkatesh, Jayaprakash, and Pavan Kalyan were present.

Elephant numbers reduce from 18 to 10 at Mathigodu Camp

This forest camp in Kodagu was created with much fanfare to attract tourists

Mysuru, Oct. 28 (MTY&VNS)- Less than a year after opening to the public, the Mathigodu Elephant Camp in Kodagu district has been reduced to housing only a few pachyderms. Five elephants have been relocated to other camps for tiger capture operations.

Before its public debut in February, the Mathigodu camp, located in the Anechowkur Wildlife Division under Nagarahole Tiger Reserve, was designed to raise awareness about wildlife conservation.

Initially home to 18 elephants, the camp has now lost three elephants to various causes, leaving 15. Recently, authorities transferred five of the remaining elephants to assist in tiger capture efforts.

Mahendra, Lakshmi for Balle Camp

Following the deaths of 'Ambari' elephant Arjuna, 'Kumki' elephant Durgaparameshwari, and the tamed Kumaraswamy, the Balle Camp in the D.B. Kuppe Wildlife Division under Nagarahole Tiger Reserve faced potential closure. However, the arrival of Dasara elephants Mahendra and Lakshmi has revived the camp, which had also lost iconic elephants Drona and Rajendra, who had resided there for over three decades.

Political pressure mounted to send elephants to the Balle Camp after Arjuna, the famed Golden Howdah carrier for eight consecutive years, died during a capture operation at Yeslur in Hassan.

Responding to demands, the Forest Department transferred 41-year-old Mahendra, who had participated in the Dasara festivities for three years, from Mathigodu to Balle, alongside Lakshmi from Dodda Harave Camp. Both elephants received a traditional welcome, with *pujas* performed at Mastigudi, shortly after the Dasara celebrations ended.

Four to Dodda Harave

In a recent move, the Forest Department relocated four male elephants — Ekalavya, Ramaiah, Ravi and Maasti — from Mathigodu Elephant Camp to Dodda Harave Camp, which is situated on the banks of the River Cauvery in Periyapatna.

With the recent transfers, only 10 elephants remain at Mathigodu Camp — Abhimanyu, Bheema, Srikanta, Chamundeshwari, Bhuvaneshwari, Somashekar, Partha, Abhimanyu (from Mysuru Zoo), Ashoka and Kyatha. While Kyatha is kept isolated, the other nine elephants are accessible for public viewing.

Decision to shift made earlier

The decision to shift elephants from Mathigodu to Balle and Dodda Harave was made earlier and Mahendra was moved to Balle, where wild elephant and tiger attacks are common. However, there will be no changes in the Mahouts and Kavadis, as their familiarity with the elephants is crucial during tiger capture operations.

—Seema, Director, Nagarahole Tiger Reserve

Plans to capture new elephants

Sources suggest that the Forest Department is planning to capture wild elephants known to cause disturbances in Hassan, Chikkamagaluru and surrounding areas. Officials have reportedly identified specific elephants for capture, which will be tamed at the kraals in Mathigodu and Dodda Harave camps.

D.K. Shivakumar can become the CM if Yogeshwar wins Channapatna by-poll

Channapatna, Oct. 28- Even as the by-polls to the Channapatna Constituency is currently in the news as the Constituency is witnessing a close fight between Congress candidate C.P. Yogeshwar and NDA candidate Nikhil Kumaraswamy, the son of Union Minister H.D. Kumaraswamy (HDK), a couple of Congress Legislators have stirred up the Hornet's nest by saying that Deputy Chief Minister D.K. Shivakumar could become the Chief Minister if the Congress candidate wins the Channapatna by-polls.

Speaking to press persons at Channapatna yesterday, Congress MLA from Arasikere K.M. Shivalingegowda said that the Channapatna by-polls is a special one as it could make D.K. Shivakumar the CM. Appealing the people of Channapatna not to let down Shivakumar, who is also the KPCC President, he said that Channapatna by-polls could be a turning point in State politics.

D.K. Shivakumar *C.P. Yogeshwar*

Lashing out at Union Minister and JD(S) leader H.D. Kumaraswamy, Shivalingegowda said that Yogeshwar has done a lot of good things for Channapatna. Kumaraswamy is only interested in the political success of his family and is not interested in the political development of other leaders, he added.

MLC Puttanna said that D.K. Shivakumar has all the opportunity to become the Chief Minister of the State. Arguing that Yogeshwar's win will lend more strength to Shivakumar, he said that the BJP-JD(S) Coalition brought in the brother-in-law of Kumaraswamy (Dr. C.N. Manjunath) to defeat Shivakumar's younger brother D.K. Suresh from Bengaluru Rural Constituency in the 2024 LS polls.

"Now Kumaraswamy should have left the seat for Yogeshwar to contest from the BJP in Channapatna by-polls. But that has not been the case as Kumaraswamy is interested in nurturing political interests of only his family members," he said while questioning the contributions of Kumaraswamy as Channapatna MLA.

Puttanna called upon people to elect Yogeshwar and teach a lesson to HDK for his nepotism.

MLC Vishwanath predicts Congress defeat in by-polls

Calls for CBI investigation into MUDA Scam

Mysuru, Oct. 28 (BLU&VNS)- MUDA and Valmiki Corporation scams will hurt the Congress party's prospects in the upcoming by-polls in the three Assembly Constituencies in the State, said MLC A.H. Vishwanath.

Addressing the mediapersons at Jaladarshini Guest House here this morning, Vishwanath said with that present Congress State Government embroiled in scams and controversies, the party will face the rejection of the people who will favour NDA candidate Nikhil Kumaraswamy in the Channapatna by-poll.

Taking a dig at Congress candidate C.P. Yogeshwar, Vishwanath said that the former BJP MLC Yogeshwar was involved in Mega City scam amounting to crores of rupees in which many people had lost their money.

Vishwanath, who spoke about the ongoing Lokayukta investigation into the alleged MUDA 50:50 alternative site scam, raised his concerns over the manner in which the investigation was being conducted.

MLC A.H. Vishwanath addressing a press meet in city this morning.

Alleging that the Lokayukta Police were in favour of Chief Minister Siddaramaiah, who was responsible for downgrading the Lokayukta institution in his earlier term, Vishwanath added that the entire investigation was not being done impartially and called for an investigation by the Central Bureau of Investigation (CBI).

The BJP MLC sarcastically compared CM Siddaramaiah's regime to that of Vijayanagara Kingdom stating that sites, originally priced at Rs. 1.50 crore, were being made available for Rs. 1,000 each and one of the beneficiaries of scheme was the CM's wife Parvathi.

Stating that the development works including the guarantee schemes had come to a standstill in the State, Vishwanath mentioned that the government was only involved in publicity, while in reality the treasury had gone bankrupt.

Invites for open discussion

Stating that Siddaramaiah's followers were aware of facts about the MUDA scam, Vishwanath invited CM Siddaramaiah for an open discussion at MUDA premises. "With High Court announcing the verdict against him and Lokayukta investigating the case, it is wrong on the part of the Chief Minister to reject the allegations about the scam," he added.

Liquor price increased to fund guarantees

The State Government has decided to increase beer prices from Rs. 170 per bottle to Rs. 270 only to fund guarantee schemes. "People, who visit bars and restaurants for recreation are forced to pay more," he rued.

Commenting on a pub worth Rs. 350 crore, said to be jointly owned by CM's late son and daughter-in-law, Vishwanath said while the money belonged to Siddaramaiah the property was owned by Minister Byrathi Suresh.

Blitzkrieg by ED

(Continued from page 1)

This round of raids follows an initial operation on Oct. 18, during which the ED searched the MUDA office in Mysuru and other locations. Last week, officials from MUDA were also questioned at the ED's zonal office in Bengaluru.

The ED has filed an Enforcement Case Information Report (ECIR) under the Prevention of Money Laundering Act (PMLA) against CM Siddaramaiah and others, taking cognisance of a Lokayukta FIR.

Siddaramaiah is currently under investigation by both the Lokayukta and the ED for alleged irregularities in the allotment of 14 sites to his wife by MUDA. His wife, B.M. Parvathi, brother-in-law B.M. Mallikarjunaswamy, and J. Devaraju — who sold land to Mallikarjuna Swamy for gifting to Parvathi — are also named as accused in the case by the two investigative agencies.

Activist seeks arrest of two former MUDA Commissioners

Mysuru, Oct. 28 (BLU&BCT)- In a significant development in the Mysuru Urban Development Authority (MUDA) land scam, complainant Snehamayi Krishna has called for the immediate arrest of former MUDA Commissioners Dr. D.B. Natesh and G.T. Dinesh Kumar.

Krishna

According to Krishna, an astonishing 928 sites in Mysuru city were distributed during the tenures of these two officials, with many allocations allegedly made illegally.

Krishna alleged that a major scam has occurred involving both the Commissioners, who engaged in dubious transactions by distributing sites to various individuals and real estate developers. He urged authorities to take swift action and conduct a thorough investigation.

Meanwhile, Snehamayi Krishna filed an additional complaint at the Mysuru Lokayukta Office, submitted to Lokayukta Superintendent of Police T.J. Udesh. The complaint emphasises that illegal sites were allocated to builder Manjunath, highlighting the role of Natesh and Dinesh in facilitating unauthorised site allocations.

Notably, Naveen Bose, the nephew of Mysuru District Minister Dr. H.C. Mahadevapppa, has reportedly been granted a site, as has a relative of former MUDA Chairman K. Marigowda. Krishna raised concerns regarding the connections between Manjunath and the former Commissioners, particularly concerning a 50:50 ratio in site distribution.

Furthermore, Krishna alleged that Manjunath has illegally acquired over 40 sites in Mysuru. He stressed the necessity of taking action against multiple individuals to address the corruption within MUDA.

MUDA site allotment scam

Evading Govt. stamp duties through Settlement Deeds

Revenue loss for both Department of Stamps & Registration and Income Tax Department: RTI activist Gangaraju

Mysuru, Oct. 28 (BLU&BCT)- Various aspects of land deal corruption within the MUDA are already in the public domain. The Enforcement Directorate (ED), Mysuru Lokayukta, and the One-Man Judicial Commission headed by Justice P.N. Desai are currently investigating the *modus operandi* of these scams that have caused a loss of thousands of crores of rupees to the State Exchequer. .

Gangaraju

In a fresh charge against MUDA officers, RTI activist Gangaraju has said that by exploiting 'Settlement Deeds,' MUDA sites are being sold without paying the required stamp duties, registration fees or income tax — resulting in large-scale fraud.

Gangaraju has exposed this scandal, providing supporting documents and has also released a video revealing financial transactions where lakhs of rupees were collected under the pretence of 'Settlement Deeds.'

According to Gangaraju, a 60x40 site in Vijayanagar 4th Stage, 2nd Phase, Mysuru, acquired under the contentious 50:50 scheme from MUDA, was sold by N. Manjunath, developer of Karthik Layout, to one S. Shivanna through a 'Settlement Deed.'

Gangaraju alleged that Manjunath received Rs. 25 lakh from Shivanna during this transaction, supported by a video he has released. The 'Settlement Deed' record, however, does not specify the site's sale price; while the registration fee was paid to the Sub-Registrar's Office, the actual sale amount was left unreported, defrauding the Department of Stamps and Registration.

Furthermore, Gangaraju asserted that income tax was also evaded, resulting in fraud against the Government. He claimed that although a financial transaction took place, the 'Settlement Deed' was used deliberately to deceive both the Department of Stamps and Registration and the Income Tax Department.

According to Gangaraju, hundreds of similar cases exist within MUDA, with this serving as a clear example.

"The ED has issued me a notice to participate in the investigation, requiring all relevant documents. I will be submitting a statement along with records regarding this matter and other scandals involving MUDA," stated Gangaraju.

He further noted that if the Central Bureau of Investigation (CBI) joins the ED in investigating the MUDA scams, numerous additional irregularities are likely to come to light.

The Government has introduced stringent measures to curb the evasion of stamp duty and income tax. However, many unscrupulous individuals are circumventing these obligations under the pretence of 'Settlement Deeds,' effectively deceiving the Government.

While efforts are being made to close loopholes, fraudsters continue to exploit these vulnerabilities. The ED is currently conducting a thorough investigation into such scandals within MUDA, and it remains to be seen who will ultimately face the consequences.

MLA launches development works in Chamaraja

Mysuru, Oct. 28 (GA&TRR)- Chamaraja MLA K.Harishgowda launched development works worth Rs. 5 crore in his Constituency recently.

MLAs K. Harishgowda and Tanver Sait jointly performed *guddali puja* for road and drainage works being undertaken at a cost of Rs.1.90 crore at the premises of a gujari in Lakshar Mohalla. Later, MLA Harishgowda launched development works worth Rs. 1 crore at various minority locality roads near Dr. Ambedkar Jnanaloka, at 22nd Cross in Karakushalanagar and at Udbhava Navashakti Durga Parameshwari Temple Road.

Also works at roads surrounding Kailasapuram's Jagjivan Ram Park at a cost of Rs.75 lakh, road works near MDK Park of Ward 25, Sawday Road 10th Cross, Humdard Clinic Road, Anjuman Library and Mustafa Unani Pharmacy were also launched at a cost of Rs. 60 lakh. In addition, road works at Ward 26 Sawday Road South Cross, K.R. Park Road, Masjid Road and Roads of Railway Lane and behind K.T. Street were launched at a cost of Rs.75 lakh.

MLA Harishgowda said that road and drainage facilities are being provided at a cost of Rs. 2 crore. Gujari traders must co-operate with contractors. There are other basic issues to be solved here and they will be resolved after discussions with senior traders in the coming days," he said.

Tanveer Sait recalled that the gujari was setup in city due to the initiatives of former CM Devaraja Urs and his father Aziz Sait. It was difficult to carry out any development at gujari which has 169 shops. But, because of Harishgowda's efforts, roads and drainages are provided here and I thank him on behalf of the people, Said added.

Both the MLAs exuded confidence that Congress candidate C.P. Yogeshwar will win the Channapatna by-election.

Follow Bhagavad Gita to achieve perfection in life: Acharya Shri Eswaran

Bengaluru's Vedanta Institute Founder-Acharya Shri Eswaran delivering an English discourse on 'Essence of Bhagavad Gita' at Prof. Y.T. Thathachari auditorium in Bharatiya Vidya Bhavan (BVB) premises in Vijayanagar first stage yesterday. Picture right shows a section of audience.

Mysuru, Oct. 28- Bengaluru's Vedanta Institute Founder-Acharya Shri Eswaran said that we can achieve perfection *(Paripoornate)* in life if we follow the preachings of Lord Krishna in Bhagavad Gita.

He was delivering an English discourse on 'Essence of Bhagavad Gita' on the second and concluding day of the two-day event on Bhagavad Gita, organised at Prof. Y.T. Thathachari auditorium in Bharatiya Vidya Bhavan (BVB) premises, Vijayanagar first stage here yesterday.

Pointing out that Bhagavad Gita is a remedy for overcoming spiritual illness, Acharya Eswaran said that the same Bhagavad Gita will be of huge help in building a better life.

"People visit clinics and hospitals if they suffer from any ailments. People will also visit gyms for being more healthy and be physically fit. Likewise, if anyone suffers from spiritual illness, Vedanta will come to their help. Bhagavad Gita will also help in growing spiritually. Unfortunately, Arjuna used the Bhagavad Gita as an hospital, which cannot be said as wrong. Arjuna seems to be correct from one angle. The Bhagavad Gita will support the practise of *Karmayoga, Bhaktiyoga, Jnanayoga, Dhyana* and *Manovignana,"* he said adding that this shows that anything can be practised through spiritualism.

Highlighting the salient features of the third chapter of the Bhagavad Gita, in which Arjuna asks Krishna what he should do, Eswaran said Lord Krishna replied only in a single word for this question. Krishna's tremendous knowledge is well explained in the second chapter of the Bhagavad Gita, he said however, Arjuna feels disappointed for being unable to understand what Krishna was telling. But Arjuna could well understand Krishna in the third chapter of Bhagavad Gita, he added.

"It is not possible to explain the preachings of Bhagavad Gita in full through this discourse alone. My intention is that everyone develops an interest towards Bhagavad Gita," he maintained and reiterated that Krishna has clearly explained how to lead a better and contentment life of perfection practically.

MGP Founder President Bhamy V. Shenoy, BVB Mysuru Kendra Treasurer A.T. Bhashyam, member Dr. Gangadhar and others were present.

Golden Throne disassembled at Palace; locked in strong room

Mysuru, Oct. 28 (MTY&BCT)- With the formal conclusion of the Dasara-2024 festivities, the precious gem-studded 280-kg Golden Throne *(Simhasana)* at Mysore Palace was disassembled in the Durbar Hall yesterday and subsequently moved to the highly secure Palace strong room in the cellar.

In addition to the Golden Throne, the silver *Bhadrasana,* previously housed at *Kannadi Thotti,* was also disassembled and stored in the strong room.

As part of this year's Dasara celebrations, the disassembled components of the Golden Throne and Silver Throne were brought from the strong room on Sept. 27 under the watchful eye of armed personnel and systematically assembled in the Durbar Hall and *Kannadi Thotti.*

The Navarathri festival commenced on Oct. 3 and as per tradition, the scion of the erstwhile Mysore royal family and Mysuru-Kodagu MP Yaduveer Krishnadatta Chamaraja Wadiyar conducted the *Khas Durbar* (private durbar) while seated on the Golden Throne.

This private durbar concluded on Oct. 11, after which the lion's head attached to the throne was ceremoniously removed on Ayudha Puja day.

At the designated auspicious time of 9.30 am yesterday, the Golden Throne in the Durbar Hall was disassembled into eight parts.

Following this, the Silver Throne in the *Kannadi Thotti* was also taken apart. To maintain confidentiality, the CCTV cameras installed within the Palace premises were covered during the transportation of the disassembled parts to the strong room.

Under the protection of armed personnel, the parts were securely placed in the strong room, locked and sealed.

After the throne was assembled on Sept. 27, visitors who purchased special tickets were able to view it starting Sept. 28, delighting in the experience. Over the course of about a month, thousands of tourists marvelled at the throne in the Durbar Hall.

During the disassembly of the throne, members of the royal family were absent. Palace staff, supervised by close associates of the royal family, dismantled the Golden Throne and the *Bhadrasana* into parts and moved them to the strong room.

Access to the Palace was restricted from morning until noon. Following the completion of the throne disassembly process, visitors were allowed entry into the Palace after 1 pm.

With the weekend holiday, a large number of tourists had arrived in Mysuru. Announcements over loudspeakers informed visitors that entry would be permitted after noon and hundreds of tourists entered the Palace in the afternoon.

Mysuru, Oct. 28 (RK&BCT)- In a decisive move to safeguard Mysuru's cultural legacy, the District Administration, in collaboration with the Department of Archaeology, Museums and Heritage, is spearheading efforts to restore and preserve the city's heritage buildings and monuments.

Following a series of relentless rains that have exacerbated the deterioration of these heritage structures, an in-depth inspection has been held for the last year to assess their actual conditions. This initiative will culminate in a comprehensive report detailing necessary recommendations for restoration.

Over the past year, the District Heritage Buildings Inspection Sub-Committee led by Manjula, Deputy Director of the Department of Archaeology, Museums, and Heritage, has diligently surveyed Mysuru's iconic heritage buildings.

The team has completed the detailed inspection of 110 heritage buildings out of the 131 total heritage buildings within the limits of Mysuru City Corporation (MCC).

The Committee boasts a team of experts, including Prof. N.S. Rangaraju, a retired professor specialising in ancient history, Prof. Shakeeb ur Rahman, former Principal of SJCE and structural expert and retired engineers Sharath Chandra and Tarakesh.

Joint Directors of the MCC Town Planning Department and Mysuru Urban Development Authority (MUDA) are also integral to this crucial endeavour.

Under the directives of the Deputy Commissioner, Sub-Committee members conducted thorough assessments of various heritage sites. They meticulously examined the structural integrity of walls, roofs and compound walls, identified potential risks to foundations and investigated drainage blockages that could exacerbate rainwater damage.

The team also scrutinised the conditions of windows, doors and construction materials, evaluating whether current custodians are maintaining these historic assets adequately. Key considerations include determining if the deteriorating buildings can be salvaged or if they require demolition and reconstruction.

Six months ago, the Expert Committee pin-pointed 11 buildings in critical disrepair, presenting an interim report to the former Deputy Commissioner (DC) Dr. K.V. Rajendra, via the Department of Heritage. The urgency for repairs highlighted in this report emphasises the pressing need for immediate action.

To date, the Committee has successfully surveyed 110 heritage buildings and is on track to complete inspections of the remaining 21 within the next month. Following this, a comprehensive report recommending repairs and revitalisation plans for all 131 structures will be submitted to the Deputy Commissioner. The District Heritage Committee will meet to discuss the expert report and formulate a strategic plan for revitalising these treasured buildings.

The DC is set to present proposals for a detailed plan, a Detailed Project Report (DPR) and the necessary funding to the Government for approval, ensuring Mysuru's rich heritage is preserved for generations to come.

Restoration of 11 buildings to cost Rs. 96.80 crore

District Heritage Buildings Inspection Sub-Committee has submitted an interim report detailing the restoration costs for 11 critically deteriorated heritage buildings, amounting to a staggering **Rs. 96,80,59,838.40.**

Specific allocations from this total include

Rs.	**9,28,50,660**	for Vani Vilas Market
Rs.	**13,50,80,494**	for Old DC Office (Attara Kacheri)
Rs.	**3,90,81,770**	for the Fire Brigade Office at Saraswathipuram
Rs.	**10,65,23,025**	for Maharani's Science College
Rs.	**18,45,03,207**	for Maharaja's College
Rs.	**17,70,19,647**	for Yuvaraja's College
Rs.	**5,80,50,867**	for Maharaja's College Union Building
Rs.	**3,62,55,618**	for Dr. Gangubai Hangal Music and Performing Arts University (formerly Lakshmipuram Girls' School)
Rs.	**4,90,14,220**	for the Government Children's Girls Home
Rs.	**6,13,09,701**	for Maharaja Government Sanskrit Patashala
Rs.	**2,83,70,622**	for the Government Certified School for Girls

While the estimated cost for these 11 buildings stands at Rs. 96.80 crore, reviving the remaining 119 heritage structures is anticipated to require hundreds of crores more.

Meanwhile, Devaraja Market and Lansdowne buildings, situated in the heart of Mysuru, remain in a state of disrepair, with visible signs of partial collapse.

A crucial decision regarding whether to repair and preserve these structures or completely reconstruct them in a traditional style is still pending, prompting growing public frustration over the Government's prolonged silence on this pressing issue.

WORD OF THE DAY

Usurp

Pronunciation: yoo-SERP (Verb)

Meaning: To usurp something (such as power) is to take and keep it by force and without the right to do so.

Origin: While often associated with questionable behaviour by the royals of eras past, usurp retains its usefulness today. It's still typically applied when someone takes power without authority or the right to do so, though the power taken is not necessarily political and the question of right and authority may be subject to debate; a city council usurping a mayor's power is a more traditional use of the word, but one product can be said to be usurping market share from another, and one athlete may claim to have usurped GOAT status. The usurpation can even be sartorial: Amanda Mull, writing for The Atlantic, noted how tracksuits in the 1980s "usurped much of cotton sweatpants' momentum toward legitimate coolness." Usurp comes from Latin: usurpare, meaning "to take possession of without a legal claim," was formed by combining usu (a form of usus, meaning "use," which also led to the words usually and use) and rapere ("to seize").

Example: "[Kazimierz] Pułaski, like other Poles in the 1770s, hoped for the American republic to live because he was watching the Polish republic perish. Pułaski was a veteran of wars with Russia. Catherine the Great, a German princess, had usurped the Russian imperial throne after the murder of her husband in a coup d'état in 1762." — Timothy Snyder, The Atlantic

THE ODD WORD

Lagom

Not too little, not too much. Just right.

PHRASE OF THE DAY

As blind as a bat

Meaning: The phrase 'As blind as a bat' refers to someone who is unwilling to recognise bad things, or someone who is completely blind. You can use this phrase to describe someone who refuses to notice an obvious thing.

Origin: Though some species have poor eyesight, particularly during daylight hours, bats aren't truly blind. However, this wasn't common knowledge in the days of the origin of the phrase 'As blind as a bat.' The term is attributed to a similar one by the famous Aristotle; he wrote: "For as the eyes of bats are to the blaze of day, so is the reason in our soul to the things which are by nature most evident of all."

Example: "Will is so in love, he is as blind as a bat when it comes to Kate's rude behaviour."

Sudoku is a number-placing puzzle based on a 9x9 grid with several given numbers. The object is to place the numbers 1 to 9 in the empty squares so that each row, each column and each 3x3 box contains the same number only once. The difficulty level of the Concept is Sudoku increases from Monday to Sunday.

CRYPTOQUIP

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.

Women's Commission Stall inaugurated at Dasara Expo

Mysuru, Oct. 28 (MK&DM)- Chairperson of Karnataka State Commission for Women Nagalakshmi Chowdhary inaugurated the Commission's stall by lighting the traditional lamp at the ongoing Dasara Exhibition here on Saturday.

Speaking on the occasion, Nagalakshmi said that the stall focuses on women empowerment, achievements of successful women in various fields like Mother Teresa, Indira Gandhi, Salumarada Thimmakka, Kalpana Chawla, Droupadi Murmu, Sudha Murty, Lata Mangeshkar and also the role of women in economic growth.

Highlighting the role of the Women's Commission in addressing complaints of harassment, assault, violence against women, Nagalakshmi lamented that a majority of women do not know about the Commission, which is why the Commission has put up the stall in the Dasara Expo.

She appealed everyone visiting the Dasara exhibition to visit the stall also and glean through the valuable information provided.

KEA Chairman Ayub Khan and other women Congress leaders were present on the occasion.
